

P.S.N.I. Can do Better!

Armagh City 3 – 1 PSNI FC

After a shaky start during which Armagh struck the post the P.S.N.I. got back into the game and should have taken the lead when Adamczyk shot wide with only the keeper to beat. With half time approaching the city took the lead when Richard Nesbit fired past Gary O'Neill after good work from Liam Cullen.

In the second half the home team had the better of things winning the midfield battle and being well marshalled by centre half Stuart Bruce. They went two up when Nesbit rounded Kris Boyd for Cusack to tap in. Worse was to follow when Dale Montgomery crossed for Adam Nesbit to head home from five yards.

Gary Brown then pulled one back for the P.S.N.I. when he finished of a fine cross from Mark Hadden.

This was a reasonable show from a Police team missing several first team squad members through injury and suspension. Manager Jimmy Brown has come in late and will need time to sort out his best starting eleven.
