

Another Defeat

Ballymoney Utd. 4 – 3 PSNI FC

Once again the P.S.N.I. took the field missing five of their first team squad. Results will not improve until this issue is resolved.

The home team looked the sharper to the ball in the opening exchanges with Paul Keane wearing number seven looking dangerous. For the P.S.N.I. Adamczyk set up a great chance for Matt Holden only to see the midfielder shoot wide. In the thirty fifth minute a misplaced pass by the hard working Gary Brown put Mark Gillian in position to beat Keith Wilson with a low ground shot from 18 yards. At the other end Adamczyk equalised for the Police when he headed home a Holden cross from the left. Keane put Ballymoney Utd. further ahead only to see Willie Fry equalise direct from a corner.

With the game still very open, poor defending by the Police resulted in an O.G. by the unlucky Graeme Philson after a goal mouth scramble. The Police came storming back with Gary O'Neill missing a penalty and Kris Boyd foolishly sent off for dissent.

With time running out, Philson thought he had rescued a point when he beat Robert Sturgeon with a brilliant thirty five yard drive. This was not to be as the home team went straight up the field for Paul Keane to score the winner in injury time with a shot from outside the box.
