

## **Adamczyk does the “Trick” in Intermediate Cup**

### **Blackers Mill 1 – 4 PSNI FC**

The P.S.N.I. took the lead in the fourth minute when new signing Ben Mulgrew slid home a well placed corner from Rory Hamill in this 3<sup>rd</sup>. Round Intermediate Cup in Armagh. In difficult conditions the Police played some constructive football with Mulgrew, Adamczyk and Hamill combining well on occasions. It was no surprise when Hamill put Adamczyk through down the middle for the Polish striker to beat the advancing Stephen Gough for a second goal just before half time.

In the second half the home team came into the game for a brief period when Jeff Neill hit the post when he looked certain to score. The P.S.N.I. responded immediately with Adamczyk scoring two excellent goals.

In the dying minutes Danny McCartney scored a consolation goal for Blackers Mill when he headed past Wilson after the keeper had parried a twenty five yard drive.

This was a workman like performance by the Police team with Paul Greener making an excellent come back and Ben Mulgrew showing some nice touches on his debut for the Police. After a long period out with an ankle injury Shane Brennan made a welcome return coming on a second half substitute.
