

## **Duns edge it**

### **Dundela 3 – 2 PSNI FC**

The conditions at Wilgar Park were far from ideal with a swirling wind and uneven surface making life difficult for both teams.

The P.S.N.I. took the lead after ten minutes when the hardworking Gary Brown seized on a poor clearance by Sergeant in the Duns goal to bang the ball home from twenty yards. The home team then equalised when a harsh penalty was given against Matt Holden and Willie Faulkner scored after Keith Wilson had parried Gary Irwin's spot kick.

Dee Wright then scored a brilliant goal for Dundela when he dived low to head home a Hunter corner. With half time approaching the P.S.N.I. equalised from another penalty after Adamczyk was held back and Matt Holden calmly placed the ball into the net.

In a fairly even second half Dundela took the lead when Ryan Cardwell scored from another Hunter corner after the Police failed to clear. With ten minutes left on the clock Sergeant rescued Dundela twice when he dived to his left to parry shots from Adamczyk and Mulgrew when they both looked certain to score. This was a disappointing result for Jimmy Brown who once again was unable to field his best team due to the unavailability of two first team squad members. Next week the Police face a very difficult away game against Dergview in the Intermediate cup.
