

## **Nortel “Polished” Off.**

### **PSNI FC 4 – 0 Nortel**

P.S.N.I. Polish striker Lucas Adamczyk was central to an excellent police performance that left Nortel shell shocked at the end of this 2<sup>nd</sup> Round Steel and Sons Cup tie at Newforge.

After an opening 30 minutes in which both teams created half chances it was the home team who took the lead when Kris Boyd fired home a Matt Holden corner as Adamczyk was barged of the ball by a Nortel defence who clearly panicked. The P.S.N.I. went further ahead within minutes when Adamczyk returned the compliment as he rounded the Nortel centre half and lobbed Paul Malone in the visitors goal. As the first half drew to a close Kyle Agnew the Nortel midfielder continued to find space and cause problems to a home rear guard that had the hard working Gary O'Neill as a first line of defence.

As expected Nortel came out fighting in the second half and should have scored when Agnew was put through on the right only to fire wide when he looked certain to score. As the half wore on the P.S.N.I. started to dominate the game with Adamczyk dancing through the Nortel defence to score number three and Gary Brown scoring with a brilliant effort from 25 yards that left Malone shaking his head.

This was a real team effort from the P.S.N.I. who will now meet Crusaders Res. at Newforge in the 3rd Round.
